

Subject card

Subject name and code	English Language II, PG_00047820						
Field of study	Informatics						
Date of commencement of studies	October 2020		Academic year of realisation of subject		2021/2022		
Education level	first-cycle studies		Subject group		Obligatory subject group in the field of study		
Mode of study	Part-time studies		Mode of delivery		at the university		
Year of study	2		Language of instruction		English		
Semester of study	3		ECTS credits		4.0		
Learning profile	general academic profile		Assessment form		assessment		
Conducting unit	Language Centre -> Vice-Rector for Education						
Name and surname of lecturer (lecturers)	Subject supervisor		mgr Agnieszka Jachowicz				
	Teachers		mgr Alicja Dereniowska				
			mgr Ewa Wawoczna				
Lesson types and methods of instruction	Lesson type	Lecture	Tutorial	Laboratory	Project	Seminar	SUM
	Number of study hours	0.0	30.0	0.0	0.0	0.0	30
	E-learning hours included: 0.0						
	Adresy na platformie eNauczanie:						
Learning activity and number of study hours	Learning activity	Participation in didactic classes included in study plan		Participation in consultation hours		Self-study	SUM
	Number of study hours	30		10.0		60.0	100
Subject objectives	Development and consolidation of English language command, including reading, speaking, listening, writing and translation in a technical environment.						
Learning outcomes	Course outcome		Subject outcome		Method of verification		
	[K6_U81] is able to communicate appropriately in everyday life, in academic and professional environments		Ability to communicate successfully in everyday situations as well as in academic and professional environment.		[SU1] Assessment of task fulfilment		
	[K6_W81] has knowledge of grammatical structures and lexical resources needed to communicate in foreign language in terms of general and specialist language related to field of study		Knowledge of grammar structures and vocabulary necessary to communicate in the range of both general and technical English used in Informatics.		[SW3] Assessment of knowledge contained in written work and projects [SW1] Assessment of factual knowledge		
	[K6_K81] is able to cooperate in international student team		Successful cooperation with foreign students.		[SK1] Assessment of group work skills [SK4] Assessment of communication skills, including language correctness		
	[K6_U82] is able to obtain and process information related to field of study and academic environment in foreign language		Acquiring and processing information connected to Informatics and academic environment in English.		[SU2] Assessment of ability to analyse information [SU1] Assessment of task fulfilment		
	[K6_K82] is equipped to participate in lectures, seminars and laboratory classes conducted in foreign language		Preparing to participate in lectures, seminars and laboratories conducted in English.		[SK4] Assessment of communication skills, including language correctness		

Subject contents	<p>Listening: news report, a slide presentation, a radio interview with an engineer;</p> <p>Speaking: talking about a sequence of events in a diagram, practicing asking and answering questions, exchanging technical information, designing a new product, presentation of a design, comparison of 2 diagrams, a job interview, answering phone calls, giving parameters, taking part in meetings, giving a short talk on a technical process, describing diagrams, discussing and explaining main points of instructions;</p> <p>Reading: extracts from a technical article, emails, web pages, scanning specifications to find required data, understanding instructions, extracts from engineering magazines;</p> <p>Writing: making notes, completing charts, a description of a design, a CV, emails, a report from a meeting, writing short instructions, a summary of main points of a briefing document, taking notes of a lecture, a manual.</p> <p>Grammar and vocabulary complementary to the current material.</p>		
Prerequisites and co-requisites	A student applying to be admitted to a group at a given level knows the vocabulary range and grammar structures required after finishing a lower level of language competence, as stated in the Common European Framework of Reference for Languages (for level A2 – A1, for B2 – A2 and so on).		
Assessment methods and criteria	Subject passing criteria	Passing threshold	Percentage of the final grade
	class participation/speaking	60.0%	20.0%
	writing	60.0%	20.0%
	tests	60.0%	60.0%
