

Subject card

Subject name and code	English Language 2, PG_00041773						
Field of study	Ocean Engineering, Ocean Engineering						
Date of commencement of studies	October 2020		Academic year of realisation of subject		2021/2022		
Education level	first-cycle studies		Subject group				
Mode of study	Full-time studies		Mode of delivery		at the university		
Year of study	2		Language of instruction		Polish		
Semester of study	4		ECTS credits		4.0		
Learning profile	general academic profile		Assessment form		exam		
Conducting unit	Language Centre -> Vice-Rector for Education						
Name and surname of lecturer (lecturers)	Subject supervisor		mgr Aleksandra Lis				
	Teachers		mgr Joanna Pawlik				
			mgr Aleksandra Lis				
Lesson types and methods of instruction	Lesson type	Lecture	Tutorial	Laboratory	Project	Seminar	SUM
	Number of study hours	0.0	60.0	0.0	0.0	0.0	60
	E-learning hours included: 0.0						
	Adresy na platformie eNauczanie:						
Learning activity and number of study hours	Learning activity	Participation in didactic classes included in study plan		Participation in consultation hours		Self-study	SUM
	Number of study hours	60		3.0		37.0	100
Subject objectives	<p>Students reach B2 or C1 level of general English with the elements of engineering vocabulary and topic areas. The course additionally covers basic aspects of the specialist language relevant to the field of study.</p> <p>It is concluded with the ACERT exam.</p>						
Learning outcomes	Course outcome		Subject outcome		Method of verification		
	[K6_K81] is able to cooperate in international team		there is no language barrier to work in international teams		[SK4] Assessment of communication skills, including language correctness		
	[K6_U81] is able to communicate appropriately in foreign language at B2 level of the Common European Framework of Reference for Languages (CEFR) in everyday life, in academic and professional environments		is able to communicate in English on B2 level in everyday life and in the academic and professional environment		[SU1] Assessment of task fulfilment		
	[K6_W81] has knowledge of grammatical structures and lexical resources needed to communicate in foreign language in terms of general and specialist language related to field of study		student is able to communicate in both general and technical English		[SW2] Assessment of knowledge contained in presentation		
	[K6_K82] is equipped to participate in lectures, seminars and laboratory classes conducted in foreign language		student is able to understand lectures, seminars and laboratory classes given in English language		[SK4] Assessment of communication skills, including language correctness		
	[K6_U82] is able to obtain and process information related to field of study and academic environment in foreign language at B2 level of the Common European Framework of Reference for Languages (CEFR)		finds and uses information in English on B2 level both in professional and academic environment		[SU3] Assessment of ability to use knowledge gained from the subject		

Subject contents	Vocabulary:		
	Developing general knowledge of the language and introducing specialist terms and expressions used in the field of ocean engineering. Practising complex lexical structures. Introducing basic terminology of mathematics and general engineering.		
	Grammar:		
	Developing B2/C1 level grammar structures essential for written and verbal communication.		
	Writing:		
	Practising skills in writing various formal and informal texts such as reports, emails, CVs, notes, instructions, descriptions of processes.		
	Reading:		
	Developing various reading techniques indispensable for dealing with general and professional texts.		
	Listening:		
	Developing listening comprehension skills necessary in workplace and everyday life situations such as telephone conversations, interviews, customer service communication, lectures and presentations.		
	Speaking:		
	Practising general and specialist language communication skills such as presenting arguments, solving problems, participating in case studies, holding formal and informal conversations and job interviews. Practising the correct pronunciation and intonation of expressions.		
Prerequisites and co-requisites	Before joining a language group, students are expected to be at level B1 or higher		
Assessment methods and criteria			
	Subject passing criteria	Passing threshold	Percentage of the final grade
	speaking	60.0%	20.0%
	tests	60.0%	60.0%
	writing	60.0%	20.0%
