

Subject card

Subject name and code	Psychological basis of a human behaviour, PG_00047987						
Field of study	Environmental Engineering						
Date of commencement of studies	October 2021		Academic year of realisation of subject			2022/2023	
Education level	first-cycle studies		Subject group			Optional subject group Humanistic-social subject group	
Mode of study	Part-time studies		Mode of delivery			at the university	
Year of study	2		Language of instruction			Polish	
Semester of study	3		ECTS credits			3.0	
Learning profile	general academic profile		Assessment form			assessment	
Conducting unit	Department of Ship Manufacturing Technology, Quality Systems and Materials Science -> Faculty of Mechanical Engineering and Ship Technology						
Name and surname of lecturer (lecturers)	Subject supervisor		dr Marcin Szulc				
	Teachers						
Lesson types and methods of instruction	Lesson type	Lecture	Tutorial	Laboratory	Project	Seminar	SUM
	Number of study hours	15.0	5.0	0.0	0.0	0.0	20
	E-learning hours included: 0.0						
	Address on the e-learning platform: https://enauczenie.pg.edu.pl/moodle/course/view.php?id=8194						
Learning activity and number of study hours	Learning activity	Participation in didactic classes included in study plan		Participation in consultation hours		Self-study	SUM
	Number of study hours	20		4.0		55.0	79
Subject objectives	The aim of the course is to acquaint students with the psychological foundations of human behavior.						
Learning outcomes	Course outcome		Subject outcome			Method of verification	
	[K6_U71] is able to apply knowledge from humanistic, social, economic or legal sciences in order to solve problems in a social environment		The student understands the processes of decision-making by the people and their emotions and motivations.			[SU3] Assessment of ability to use knowledge gained from the subject	
	[K6_W71] has general knowledge in humanistic, social, economic or legal sciences		The student knows the selected psychological theories of human development.			[SW1] Assessment of factual knowledge
