Additional information:							
Learning activity and number of study hours	Learning activity	Participation in didactic classes included in study plan	Participation in consultation hours	Self-study	SUM		
	Number of study hours	30	2.0	18.0	50		
Subject objectives	Students reach B2 or C1 level of general English with the elements of engineering vocabulary and topic areas. The course additionally covers basic aspects of the specialist language relevant to the field of study. It is concluded with the ACERT exam						

Learning outcomes	Course outcome	Subject outcome	Method of verification
	[K6_U81] is able to communicate appropriately in foreign language at B2 level of the Common European Framework of Reference for Languages (CEFR) in everyday life, in academic and professional environments	Successful communication in daily life and in an academic and professional environment.	[SU5] Assessment of ability to present the results of task
	[K6_W81] has knowledge of grammatical structures and lexical resources needed to communicate in foreign language in terms of general and specialist language related to field of study	Understanding of various texts, including technical and specialist literature. Translation of short technical texts. Preparation of short presentations. Writing formal letters, CVs, covering letters and summaries of specialist texts.	[SW2] Assessment of knowledge contained in presentation
	[K6_U82] is able to obtain and process information related to field of study and academic environment in foreign language at B2 level of the Common European Framework of Reference for Languages (CEFR)	Ability to prepare a description of a process, a diagram, a figure, an instruction and so on.	[SU5] Assessment of ability to present the results of task
	[K6_K82] is equipped to participate in lectures, seminars and laboratory classes conducted in foreign language	Successful communication in an academic environment. Understanding of speeches and lectures.	[SK4] Assessment of communication skills, including language correctness
	[K6_K81] is able to cooperate in international team	Ability to communicate and cooperate in teams.	[SK4] Assessment of communication skills, including language correctness [SK1] Assessment of group work skills

Subject contents	<p>Course content</p> <p>Vocabulary:</p> <p>Developing general knowledge of the language and introducing specialist terms and expressions used in the field of transport. Practising complex lexical structures. Introducing basic terminology of mathematics and general engineering.</p> <p>Grammar:</p> <p>Developing B2/C1 level grammar structures essential for written and verbal communication.</p> <p>Writing:</p> <p>Practising skills in writing various formal and informal texts such as reports, emails, CVs, notes, instructions, descriptions of processes.</p> <p>Reading:</p> <p>Developing various reading techniques indispensable for dealing with general and professional texts.</p> <p>Listening:</p> <p>Developing listening comprehension skills necessary in workplace and everyday life situations such as telephone conversations, interviews, customer service communication, lectures and presentations.</p> <p>Speaking:</p> <p>Practising general and specialist language communication skills such as presenting arguments, solving problems, participating in case studies, holding formal and informal conversations and job interviews.
