

## Subject card

Subject name and code	English Language, PG_00004874								
Field of study	Mechanical Engineering, Mechanical Engineering								
Date of commencement of studies	, , , , , , , , , , , , , , , , , , ,		Academic year of realisation of subject		2021/2022				
Education level	first-cycle studies		Subject group						
Mode of study	Full-time studies		Mode of delivery			at the university			
Year of study	2		Language of instruction			English			
Semester of study	3		ECTS credits			2.0			
Learning profile			Assessment form			assessment			
Conducting unit	Language Centre -> \	Education							
Name and surname	Subject supervisor		mgr Witold Zbirohowski-Kościa						
of lecturer (lecturers)	Teachers		mgr Anita Mieszkowska						
			mgr Krzysztof Lis						
			mgr Janina Badocha						
			mgr Małgorza	ıta Fenc					
Lesson types and methods	Lesson type	Lecture	Tutorial	Laboratory	Projec	:t	Seminar	SUM	
of instruction	Number of study hours	0.0	30.0	0.0	0.0		0.0	30	
	E-learning hours inclu	uded: 0.0							
	Adresy na platformie eNauczanie:								
Learning activity and number of study hours	Learning activity Participation in classes include plan				Self-study SUM				
	Number of study hours	30		0.0		20.0		50	
Subject objectives	Development and consolidation of English language command, including reading, speaking, listening, writing and translation in a technical environment								
Learning outcomes	Course out	come	Subject outcome			Method of verification			
	[K6_U81] is able to communicate appropriately in foreign language at B2 level of the Common European Framework of Reference for Languages (CEFR) in everyday life, in academic and professional environments		Is able to communicate correctly in a foreign language at CEFR B2 level in everyday life situations as well as the academic and professional environment.			[SU2] Assessment of ability to analyse information			
			Ability to obtain and process information in a foreign language at CEFR B2 level in the given field of study and academic environment.			[SU2] Assessment of ability to analyse information			
[K6_K82] is equipped to participate in lectures, semi and laboratory classes con in foreign language		s, seminars	Understanding of specialist literature and technical instructions. Understanding longer speeches and lectures.			[SK4] Assessment of communication skills, including language correctness			
	[K6_K81] is able to cooperate in international team		Ability to cooperate in an international group.			[SK4] Assessment of communication skills, including language correctness [SK1] Assessment of group work skills			
	[K6_W81] has knowledge of grammatical structures and lexical resources needed to communicate in foreign language in terms of general and specialist language related to field of study		Sufficient knowledge of the vocabulary and grammar of the foreign language to communicate in general situations as well as the specialist field of study.			[SW2] Assessment of knowledge contained in presentation [SW3] Assessment of knowledge contained in written work and projects
