GDAŃSK UNIVERSITY OF TECHNOLOGY

Subject card

Subject name and code	English Language, PG_00004912		
Field of study	Mechanical Engineering		
Date of commencement of studies	October 2021	Academic year of realisation of subject	2021/2022
Education level	first-cycle studies	Subject group	Optional subject group Humanistic-social subject group
Mode of study	Full-time studies	Mode of delivery	at the university
Year of study	1	Language of instruction	English
Semester of study	2	ECTS credits	2.0
Learning profile	general academic profile	Assessment form	assessment
Conducting unit	Language Centre -> Vice-Rector for Education		
Name and surname of lecturer (lecturers)	Subject supervisor	mgr Witold Zbirohowski-Kościa	
	Teachers	mgr Joanna Pawlik mgr Małgorzata Fenc mgr Anita Mieszkowska mgr Danuta Zalewska mgr Ewa Wawoczna	

Lesson types and methods of instruction							
	Lesson type	Lecture	Tutorial	Laboratory	Project	Seminar	SUM
	Number of study hours	0.0	30.0	0.0	0.0	0.0	30
	E-learning hours included: 0.0						
	Address on the e-learning platform: https://enauczanie.pg.edu.pl/moodle/course/view.php?id=15650 Adresy na platformie eNauczanie:						

Learning activity and number of study hours					
	Learning activity	Participation in didactic classes included in study plan	Participation in consultation hours	Self-study	SUM
	Number of study hours	30	0.0	0.0	30

Subject objectives	Development and consolidation of English language command, including reading, speaking, listening, writing and translation in a technical environment

Learning outcomes	Course outcome	Subject outcome	Method of verification
	[K6_U82] is able to obtain and process information related to field of study and academic environment in foreign language at B2 level of the Common European Framework of Reference for Languages (CEFR)	Ability to obtain and process information in a foreign language at CEFR B2 level in the given field of study and academic environment.	[SU2] Assessment of ability to analyse information
	[K6_W81] has knowledge of grammatical structures and lexical resources needed to communicate in foreign language in terms of general and specialist language related to field of study	Sufficient knowledge of the vocabulary and grammar of the foreign language to communicate in general situations as well as the specialist field of study.	[SW2] Assessment of knowledge contained in presentation
	[K6_K82] is equipped to participate in lectures, seminars and laboratory classes conducted in foreign language	Understanding of specialist literature and technical instructions. Understanding longer speeches and lectures.	[SK4] Assessment of communication skills, including language correctness [SK1] Assessment of group work skills
	[K6_K81] is able to cooperate in international team	Ability to communicate in a foreign language at B2 level	[SK4] Assessment of communication skills, including language correctness [SK1] Assessment of group work skills
	[K6_U81] is able to communicate appropriately in foreign language at B2 level of the Common European Framework of Reference for Languages (CEFR) in everyday life, in academic and professional environments	Is able to communicate correctly in a foreign language at CEFR B2 level in everyday life situations as well as the academic and professional environment.	[SU2] Assessment of ability to analyse information [SU5] Assessment of ability to present the results of task

Subject contents	**Vocabulary:** Deepening knowledge of basic and specialist terms and expressions used in technical and academic language as well as the language of work. Exercises concerning lexical structures, describing the physical properties of materials, shapes, basic mathematical terminology, interpreting figures and diagrams, and explaining processes. Introduction of specialist language in the field of mechanical engineering. **Grammar:** Using grammar appropriate to the given language level. Learning of structures essential for written and verbal communication in academic and professional environments. **Writing:** Practising skills in writing various texts essential in academic and work environments, including: reports, CVs, emails, summaries, notes, abstracts, instructions and descriptions of processes. **Reading:** Deepening reading comprehension of original academic and professional texts. **Listening:** Developing listening comprehension skills concerning workplace, academic and everyday life situations, such as: telephone conversations, interviews, customer service, lectures and presentations. **Speaking:** Practising communication skills in academic and work environments, such as: the giving of presentations, job interviews, formal and informal conversations, negotiating, presenting arguments, solving problems, participating in case studies, conducting formal meetings, etc. Practising the correct pronunciation and intonation of expressions.
Prerequisites and co-requisites	Before joining a language group at a particular level, the student must first attain the preceding level, i.e. A1 before joining an A2 group, A2 before joining B1, B1 before joining B2, B2 before joining C1 and C1 before joining C2.
Assessment methods and criteria	

Subject passing criteria	Passing threshold	Percentage of the final grade
Accuracy – written grammar test	60.0%	25.0%
Written vocabulary test, oral use of vocab in context	60.0%	25.0%
Fluency – oral interaction	60.0%	25.0%
Written (report)/oral interaction test (dialogue ,debate)	60.0%	25.0%
