	Number of study hours	15		1.0		9.0		25	
Subject objectives	The lecture aims to familiarize students with the basic issues of interpersonal communication, to develop the skills of noticing differences in communication in various social and cultural contexts and the ability to overcome conflicts and prejudices resulting from such differences. Classes are conducted using a workshop method based on activating students through work and discussions, case studies, genre scenes, individual work, simulations and mini-lectures with a discussion of practical examples.
