

## Subject card

	Application and applications DO 000F004F							
Subject name and code	Auxiliary sciences of history, PG_00056615							
Field of study	Mechatronics							
Date of commencement of studies	October 2021		Academic year of realisation of subject			2021/2022		
Education level	first-cycle studies		Subject group					
Mode of study	Full-time studies		Mode of delivery			at the university		
Year of study	1		Language of instruction			Polish		
Semester of study	1		ECTS credits			1.0		
Learning profile	general academic profile		Assessment form			assessment		
Conducting unit	Institute of Manufacturing and Materials Technology -> Faculty of Mechanical Engineering and Ship Technology							
Name and surname	Subject supervisor							
of lecturer (lecturers)	Teachers							
Lesson types and methods of instruction	Lesson type	Lecture	Tutorial	Laboratory	Projec	t	Seminar	SUM
	Number of study hours	15.0	0.0	0.0	0.0		0.0	15
	E-learning hours included: 0.0							
	Adresy na platformie	eNauczanie:						
Learning activity and number of study hours	Learning activity		ticipation in didactic sses included in study n		Participation in consultation hours		udy	SUM
	Number of study hours	15	1.0		9.0			25
Subject objectives	Students' interest in history and methods of historical research and learning of the ability to critical analysis of historical sources							
	of historical sources
