

§ GDAŃSK UNIVERSITY § OF TECHNOLOGY

Subject card

Subject name and code	Foreign language III (English), PG_00056651									
Field of study	Architecture									
Date of commencement of studies			Academic year of realisation of subject			2021/2022				
Education level	first-cycle studies		Subject group							
Mode of study	Full-time studies		Mode of delivery			at the university				
Year of study	2		Language of instruction			English				
Semester of study	3		ECTS credits			2.0				
Learning profile	general academic profile		Assessment form			assessment				
Conducting unit	Language Centre -> Vice-Rector for Education									
Name and surname	Subject supervisor		mgr Marek Adamczyk							
of lecturer (lecturers)	Teachers		mgr Marek Adamczyk							
Lesson types and methods	Lesson type	Lecture	Tutorial	Laboratory	Projec	t	Seminar	SUM		
of instruction	Number of study hours	0.0	30.0	0.0	0.0		0.0	30		
	E-learning hours included: 0.0									
	Adresy na platformie	eNauczanie:								
Learning activity and number of study hours	Learning activity	Participation in classes includ plan		Participation in consultation hours		Self-study S		SUM		
	Number of study hours	30		0.0		0.0 30		30		
Subject objectives	Students reach B2 or C1 level of general English with the elements of engineering vocabulary and topic areas. The course additionally covers basic aspects of the specialist language relevant to the field of study. It is concluded with the ACERT exam.									
Learning outcomes	Course outcome		Subject outcome			Method of verification				
	[K6_W81] has knowledge of grammatical structures and lexical resources needed to communicate in foreign language in terms of general and specialist language related to field of study		A student has the ability to communicate fluently in everyday and academic situations.			[SW2] Assessment of knowledge contained in presentation [SW3] Assessment of knowledge contained in written work and projects				
	[K6_U82] is able to obtain and process information related to field of study and academic environment in foreign language at B2 level of the Common European Framework of Reference for Languages (CEFR)		A student can understand and is able to analyse information concerning their field of study e.g. through reading specialised texts.			[SU1] Assessment of task fulfilment [SU2] Assessment of ability to analyse information [SU3] Assessment of ability to use knowledge gained from the subject [SU4] Assessment of ability to use methods and tools [SU5] Assessment of ability to present the results of task [SK3] Assessment of ability to				
	international team		team, solve problems and discuss issues, using appropriate expressions.			organize work [SK4] Assessment of communication skills, including language correctness [SK5] Assessment of ability to solve problems that arise in practice [SK1] Assessment of group work skills [SK2] Assessment of progress of work				

Vocabulary:							
Developing general knowledge of the language and introducing specialist terms and expressions used in the field of study. Practising complex lexical structures. Introducing basic terminology of mathematics and general engineering.							
Grammar:							
Developing B2/C1 level grammar structures essential for written and verbal communication.							
Writing:							
Practising skills in writing various formal and informal texts such as reports, emails, CVs, notes, instructions, descriptions of processes.							
Reading:							
Developing various reading techniques indispensable for dealing with general and professional texts.							
Listening:							
Developing listening comprehension skills necessary in workplace and everyday life situations such as telephone conversations, interviews, customer service communication, lectures and presentations.							
Speaking:							
Practising general and specialist language communication skills such as presenting arguments, solving problems, participating in case studies, holding formal and informal conversations and job interviews. Practising the correct pronunciation and intonation of expressions.							
Before joining a language group, students are expected to be at level B1 or higher.
