| | [K6_U82] is able to obtain and process information related to field of study and academic environment in foreign language at B2 level of the Common European Framework of Reference for Languages (CEFR) | Ability to prepare a description of a process, a diagram, a figure, an instruction and so on. | [SU5] Assessment of ability to present the results of task |
| | [K6_U81] is able to communicate appropriately in foreign language at B2 level of the Common European Framework of Reference for Languages (CEFR) in everyday life, in academic and professional environments | Successful communication in daily life and in an academic and professional environment. | [SU5] Assessment of ability to present the results of task |
| | [K6_K82] is equipped to participate in lectures, seminars and laboratory classes conducted in foreign language | Successful communication in an academic environment. Understanding of speeches and lectures. | [SK4] Assessment of communication skills, including language correctness |
| | [K6_W81] has knowledge of grammatical structures and lexical resources needed to communicate in foreign language in terms of general and specialist language related to field of study | Understanding of various texts, including technical and specialist literature. Translation of short technical texts. Preparation of short presentations. Writing formal letters, CVs, covering letters and summaries of specialist texts. | [SW2] Assessment of knowledge contained in presentation |
| | [K6_K81] is able to cooperate in international team | Ability to communicate and cooperate in teams. | [SK4] Assessment of communication skills, including language correctness [SK1] Assessment of group work skills |

| Subject contents | <p>Vocabulary:</p> <p>Developing general knowledge of the language and introducing specialist terms and expressions used in the field of environmental engineering. Practising complex lexical structures. Introducing basic terminology of mathematics and general engineering.</p> <p>Grammar:</p> <p>Using grammar appropriate to the given language level. Learning of structures essential for written and verbal communication in academic and professional environments.</p> <p>Writing:</p> <p>Practising skills in writing various texts essential in academic and work environments, including: reports, CVs, emails, summaries, notes, abstracts, instructions and descriptions of processes.</p> <p>Reading:</p> <p>Deepening reading comprehension of original academic and professional texts.</p> <p>Listening:</p> <p>Developing listening comprehension skills concerning workplace, academic and everyday life situations, such as: telephone conversations, interviews, customer service, lectures and presentations.</p> <p>Speaking:</p> <p>Practising communication skills in academic and work environments, such as: the giving of presentations, job interviews, formal and informal conversations, negotiating, presenting arguments, solving problems, participating in case studies, conducting formal meetings, etc. Practising the correct pronunciation and intonation of expressions.</p> | | | | | | | | | | | | |
