| | [K6_K82] is equipped to participate in lectures, seminars and laboratory classes conducted in foreign language | Students are prepared to participate in the lectures, seminars and laboratories run in English. | | | [SK4] Assessment of communication skills, including language correctness [SK2] Assessment of progress of work | | |
| | [K6_U81] is able to communicate appropriately in foreign language at B2 level of the Common European Framework of Reference for Languages (CEFR) in everyday life, in academic and professional environments | Students can communicate effectively in everyday situations and in the academic and professional environment at the B2 level of English. | | | [SU1] Assessment of task fulfilment [SU3] Assessment of ability to use knowledge gained from the subject [SU5] Assessment of ability to present the results of task | | |
| | [K6_U82] is able to obtain and process information related to field of study and academic environment in foreign language at B2 level of the Common European Framework of Reference for Languages (CEFR) | Students can search for and use the information concerning their professional and academic environment at the B2 level of English. | | | [SU1] Assessment of task fulfilment [SU3] Assessment of ability to use knowledge gained from the subject [SU5] Assessment of ability to present the results of task | | |
| | [K6_W81] has knowledge of grammatical structures and lexical resources needed to communicate in foreign language in terms of general and specialist language related to field of study | Students are familiar with the general and professional vocabulary and grammatical structures essential to communicate in English. | | | [SW3] Assessment of knowledge contained in written work and projects | | |

| Subject contents | <p>Developing general knowledge of the language and introducing specialist terms and expressions used in the field of Power Engineering. Practising complex lexical structures. Introducing basic terminology of mathematics and general engineering.</p> <p>Grammar:</p> <p>Developing B2/C1 level grammar structures essential for written and verbal communication.</p> <p>Writing:</p> <p>Practising skills in writing various formal and informal texts such as reports, emails, CVs, notes, instructions, descriptions of processes.</p> <p>Reading:</p> <p>Developing various reading techniques indispensable for dealing with general and professional texts.</p> <p>Listening:</p> <p>Developing listening comprehension skills necessary in workplace and everyday life situations such as telephone conversations, interviews, customer service communication, lectures and presentations.</p> <p>Speaking:</p> <p>Practising general and specialist language communication skills such as presenting arguments, solving problems, participating in case studies, holding formal and informal conversations and job interviews. Practising the correct pronunciation and intonation of expressions.</p> | | | | | | | | | | | | | | |
