| Field of study                              | Management, Management  |  |          |                                     |  |            |     |
| Date of commencement of studies             | February 2023   | Academic year of realisation of subject  |          |                                     | 2023/2024  |            |     |
| Education level                             | second-cycle studies  | Subject group  |          |                                     | Optional subject group<br>Subject group related to scientific research in the field of study |            |     |
| Mode of study                               | Full-time studies   | Mode of delivery   |          |                                     | at the university  |            |     |
| Year of study                               | 2   | Language of instruction  |          |                                     | Polish   |            |     |
| Semester of study                           | 3   | ECTS credits   |          |                                     | 14.0   |            |     |
| Learning profile                            | general academic profile  | Assessment form  |          |                                     | assessment   |            |     |
| Conducting unit                             | Department of Management -> Faculty of Management and Economics   |  |          |                                     |  |            |     |
| Name and surname of lecturer (lecturers)    | Subject supervisor  |  |          |                                     |  |            |     |
|   | Teachers  |  |          |                                     |  |            |     |
| Lesson types and methods of instruction     | Lesson type   | Lecture  | Tutorial | Laboratory                          | Project  | Seminar    | SUM |
|   | Number of study hours   | 0.0  | 0.0      | 0.0                                 | 0.0  | 0.0        | 0   |
|   | E-learning hours included: 0.0  |  |          |                                     |  |            |     |
| Learning activity and number of study hours | Learning activity   | Participation in didactic classes included in study plan   |          | Participation in consultation hours |  | Self-study | SUM |
|   | Number of study hours   | 0  |          | 27.0                                |  | 323.0      | 350 |
| Subject objectives                          | Realization the concept of thesis in agreement with the supervisor. Individual preparation of the thesis in accordance with applicable requirements.  |  |          |                                     |  |            |     |
| Learning outcomes                           | Course outcome  | Subject outcome  |          |                                     | Method of verification   |            |     |
|   | [K7_U15] can use scientific terminology in Polish and foreign languages in the field of economic sciences, with particular emphasis on the discipline of management science   | Student uses terminology generally accepted in management sciences.  |          |                                     | [SU1] Assessment of task fulfilment  |            |     |
|   | [K7_K82] is equipped to participate actively in lectures, seminars and laboratory classes conducted in foreign language   | Student actively participates in classes in a foreign language.  |          |                                     | [SK4] Assessment of communication skills, including language correctness                     |            |     |
|   | [K7_W13] knows the legal aspects and principles of industrial property and copyright protection, as well as the necessity of managing intellectual property resources   | Student is aware that copyright is protected using source materials.   |          |                                     | [SW3] Assessment of knowledge contained in written work and projects                         |            |     |
|   | [K7_U14] prepares written works and multimedia presentations in Polish and foreign languages explaining the phenomena and social and economic processes taking place in the economy, institutions and organizations and their surroundings, and also designs solutions to selected problems | Student has the ability to prepare synthetic description of the literature, the research problem and its solution. |          |                                     | [SU2] Assessment of ability to analyse information   |            |     |

| Subject contents   | <p>The formulation of research problem.</p> <p>Finding and analyzing literature.</p> <p>The collection of data from different sources: surveys, observations, statistics, documentation.</p> <p>The choice of methods to solve the problem.</p> <p>Solving the problem and interpretation of results.</p> <p>Confirmation of solutions.</p>   |  |  |                          |                   |                               |  |       |        |
|--|---|--|--|--------------------------|-------------------|-------------------------------|--|-------|--------|
| Prerequisites and co-requisites                                | registration for the semester   |  |  |                          |                   |                               |  |       |        |
| Assessment methods and criteria                                | <table border="1" data-bbox="448 618 1487 689"> <thead> <tr> <th data-bbox="448 618 794 651">Subject passing criteria</th> <th data-bbox="794 618 1141 651">Passing threshold</th> <th data-bbox="1141 618 1487 651">Percentage of the final grade</th> </tr> </thead> <tbody> <tr> <td data-bbox="448 651 794 689"></td> <td data-bbox="794 651 1141 689">51.0%</td> <td data-bbox="1141 651 1487 689">100.0%</td> </tr> </tbody> </table> |  |  | Subject passing criteria | Passing threshold | Percentage of the final grade |  | 51.0% | 100.0% |
| Subject passing criteria                                       | Passing threshold   | Percentage of the final grade  |  |                          |                   |                               |  |       |        |
