

## Subject card

Cubicat name and and	English Language DC 000EE679								
Subject name and code	English Language, PG_00055678								
Field of study	Civil Engineering								
Date of commencement of studies	October 2022		Academic year of realisation of subject			2024/2025			
Education level	first-cycle studies		Subject group						
Mode of study	Part-time studies		Mode of delivery			at the university			
Year of study	3		Language of instruction			English			
Semester of study	6		ECTS credits			3.0			
Learning profile	general academic profile		Assessment form			exam			
Conducting unit	Language Center -> Vice-Rector for Education								
Name and surname	Subject supervisor mgr Joanna Olszewska								
of lecturer (lecturers)	Teachers					i			
Lesson types and methods	Lesson type	Lecture	Tutorial	Laboratory			Seminar	SUM	
of instruction	Number of study hours	0.0	36.0	0.0	0.0		0.0	36	
	E-learning hours inclu	E-learning hours included: 0.0							
Learning activity and number of study hours	Learning activity	Participation in classes include plan		Participation in consultation hours		Self-study		SUM	
	Number of study hours	36		2.0		37.0		75	
Subject objectives	Mastering the English language by students at B2 or C1 level. The course covers general and engineering content as well as elements of specialist language in line with the field of study. The language course ends with the exam.								
Learning outcomes	Course outcome		Subject outcome		Method of verification				
	[K6_K82] is equipped to participate in lectures, seminars and laboratory classes conducted in foreign language		Correct communication in the academic environment. Understanding longer statements and lectures.			[SK4] Assessment of communication skills, including language correctness			
	[K6_U81] is able to communicate appropriately in foreign language at B2 level of the Common European Framework of Reference for Languages (CEFR) in everyday life, in academic and professional environments		The ability to communicate correctly in everyday life and in the academic and professional environment.			[SU5] Assessment of ability to present the results of task			
			Reading comprehension of texts, including technical and specialized ones. Translation of short technical texts. Preparation of short presentations. Writing formal letters, CVs, cover letters and summaries of specialist texts.			[SW2] Assessment of knowledge contained in presentation			
	[K6_U82] is able to obtain and process information related to field of study and academic environment in foreign language at B2 level of the Common European Framework of Reference for Languages (CEFR)		Ability to prepare a description of a diagram, drawing, process, instruction, etc.			[SU5] Assessment of ability to present the results of task			
	[K6_K81] is able to cooperate in international team		Ability to communicate and cooperate in group tasks.			[SK4] Assessment of communication skills, including language correctness [SK1] Assessment of group work skills			
Subject contents	Write a report. Write a the process. Prepare		letter. Make a	short presenta	ation, in	a group	or individually	. Describe
