

## Subject card

Subject name and code	English language, PG_00059644							
Field of study	Mechanical Engineering							
Date of commencement of studies	October 2021		Academic year of realisation of subject			2022/2023		
Education level	first-cycle studies		Subject group		Optional subject group Humanistic-social subject group			
Mode of study	Full-time studies		Mode of delivery			at the university		
Year of study	2		Language of instruction			English		
Semester of study	3		ECTS credits			2.0		
Learning profile	general academic profile		Assessment form			assessment		
Conducting unit	Language Centre -> Vice-Rector for		Education					
Name and surname	Subject supervisor		mgr Krzysztof Lis					
of lecturer (lecturers)	Teachers							
Lesson types and methods	Lesson type	Lecture	Tutorial	Laboratory	Projec	t Seminar		SUM
of instruction	Number of study hours	0.0	30.0	0.0	0.0	0.0		30
	E-learning hours included: 0.0						<u> </u>	
Learning activity and number of study hours	Learning activity	Participation in classes include plan		Participation in consultation hours		Self-study		SUM
	Number of study hours	30		0.0		0.0		30
Subject objectives	Development of all language skills in academic and professional contexts.							
Learning outcomes	Course outcome		Subject outcome			Method of verification		
	[K6_W81] has knowledge of grammatical structures and lexical resources needed to communicate in foreign language in terms of general and specialist language related to field of study		Knowledge of the grammatical structures and lexical areas required to understand a foreign language in general situations, as well as the technical language related to the course of study.		[SW2] Assessment of knowledge contained in presentation [SW3] Assessment of knowledge contained in written work and projects			
	[K6_K82] is equipped to participate in lectures, seminars and laboratory classes conducted in foreign language		Understanding of specialist literature and technical instructions and longer speeches and lectures.			[SK4] Assessment of communication skills, including language correctness		
	[K6_K81] is able to cooperate in international team		Can work together in an international team.		[SK4] Assessment of communication skills, including language correctness [SK1] Assessment of group work skills			
			Ability to receive and process foreign language information at B2 level for the course of study and the academic environment.		[SU2] Assessment of ability to analyse information [SU5] Assessment of ability to present the results of task			
	[K6_U81] is able to communicate appropriately in foreign language at B2 level of the Common European Framework of Reference for Languages (CEFR) in everyday life, in academic and professional environments		Can work together in an international team.		[SU2] Assessment of ability to analyse information [SU5] Assessment of ability to present the results of task			

Data wydruku: 24.04.2024 01:51 Strona 1 z 3
