

## Subject card

Subject name and code	, PG_00057346						
Field of study	Ocean Engineering						
Date of commencement of studies	February 2023		Academic year of realisation of subject		2023/2024		
Education level	second-cycle studies		Subject group		Obligatory subject group in the field of study Humanistic-social subject group		
Mode of study	Part-time studies		Mode of delivery		at the university		
Year of study	1		Language of instruction		English		
Semester of study	2		ECTS credits		2.0		
Learning profile	general academic profile		Assessment form		assessment		
Conducting unit	Language Centre -> Vice-Rector for Education						
Name and surname of lecturer (lecturers)	Subject supervisor		mgr Aleksandra Lis				
	Teachers		mgr Agnieszka Jachowicz				
Lesson types and methods of instruction	Lesson type	Lecture	Tutorial	Laboratory	Project	Seminar	SUM
	Number of study hours	0.0	18.0	0.0	0.0	0.0	18
	E-learning hours included: 0.0						
Learning activity and number of study hours	Learning activity	Participation in didactic classes included in study plan		Participation in consultation hours		Self-study	SUM
	Number of study hours	18		5.0		27.0	50
Subject objectives	Development and consolidation of the English language command, including reading, speaking, listening, writing and translation in a technical environment at a B2 or C1 level.						
Learning outcomes	Course outcome		Subject outcome		Method of verification		
	[K7_U82] is able to proficiently obtain and process information related to field of study and academic environment in foreign language at B2+ level of the Common European Framework of Reference for Languages (CEFR)		Gains and processes information in English on B2 level regarding studies and the academic environment.		[SU4] Assessment of ability to use methods and tools		
	[K7_K03] is aware of their social role as a graduate of a technical university, is aware of the importance of adhering to professional ethics and respect of the diversity of views						
	[K7_K82] is equipped to participate actively in lectures, seminars and laboratory classes conducted in foreign language		Understands lectures, seminars and other classes given in English.				
	[K7_K02] is aware non-technical aspects and effects of operation as an engineer, its influence on the environment and is aware of the responsibilities for the decisions taken						
	[K7_K01] is aware of the need of constant learning, can critically assess the content, is aware of the meaning of knowledge in solving cognitive and practical problems						
Subject contents	Writing various kinds of formal letters and emails, including a covering letter. Preparing a CV and presentations. Preparing for a job interview. Writing reports, an abstract, summaries, analysing case studies. Practising listening and speaking including discussions and debates. Learning new vocabulary from the field of study. Communication on the Internet (netspeak) and other electronic media. Raising cultural awareness and knowledge about business.						

Prerequisites and co-requisites	Students must have already attained at least the B1 level of their General English course.		
Assessment methods and criteria	Subject passing criteria	Passing threshold	Percentage of the final grade
	Written (report)/oral interaction test (dialogue, debate)	60.0%	20.0%
	Fluency – oral interaction	60.0%	20.0%
	Tests / presentations	60.0%	60.0%
Recommended reading	Basic literature	Cambridge Academic English, CUP  Cambridge English for Scientists, Upper - Intermediate, CUP  Professional English in Use, CUP  Business Vocabulary in Use, Advanced, CUP  Intelligent Business, Advanced, Pearson  Market Leader, Advanced, Pearson  Dynamic Presentations, CUP  Academic English For Engineers, PŁ	
	Supplementary literature	Academic publications, dictionaries, scientific and science magazine articles.	
	eResources addresses		
Example issues/ example questions/ tasks being completed	A multimedia presentation concerning a given industry.  Writing reports, projects, describing processes in the given specialisation.		
Work placement	Not applicable
