

§ GDAŃSK UNIVERSITY § OF TECHNOLOGY

Subject card

| Subject name and code | STATISTICAL METHODS OF OPINION RESEARCH, PG_00060824 | | | | | | | |
|--|---|---|---|------------------------------------|--------|---|-----|-----|
| Field of study | Economic Analytics | | | | | | | |
| Date of commencement of studies | October 2023 | | Academic year of realisation of subject | | | 2024/2025 | | |
| Education level | second-cycle studies | | Subject group | | | Optional subject group Subject group related to scientific research in the field of study | | |
| Mode of study | Full-time studies | | Mode of delivery | | | at the university | | |
| Year of study | 2 | | Language of instruction | | | English | | |
| Semester of study | 3 | | ECTS credits | | | 3.0 | | |
| Learning profile | general academic profile | | Assessment form | | | exam | | |
| Conducting unit | Katedra Statystyki i E | konometrii -> F | aculty of Mana | aculty of Management and Economics | | | | |
| Name and surname | Subject supervisor | | dr hab. Michał Pietrzak | | | | | |
| of lecturer (lecturers) | Teachers | | dr hab. Michał Pietrzak | | | | | |
| Lesson types and methods of instruction | Lesson type | Lecture | Tutorial | Laboratory | Projec | Project Seminar | | SUM |
| | Number of study hours | 15.0 | 0.0 | 30.0 | 0.0 | | 0.0 | 45 |
| | E-learning hours included: 0.0 | | | | | | | |
| Learning activity and number of study hours | Learning activity | Participation i classes incluc plan | | | | udy | SUM | |
| | Number of study hours | 45 | | 3.0 | | 27.0 | | 75 |
| Subject objectives | Designs opinion polls using appropriate analytical and evaluating methods, taking care of the ethical dimension of their decisions | | | | | | | |
| Learning outcomes | Course outcome | | Subject outcome | | | Method of verification | | |
| | [K7_U03] formulates research problems and selects appropriate analytical methods for their effective solution, using advanced IT tools, and evaluates the results critically | | creates market scenarios by critically evaluating them, based on market research conducted with appropriately selected methods | | | [SU3] Assessment of ability to use knowledge gained from the subject | | |
| | [K7_W05] takes into account in the analyzes in an in-depth way both the economic, legal and ethical context, being aware of the responsibility for the consequences of its decisions | | uses opinion polling methods, taking into account the broad economic and legal context, with a deep awareness of responsibility for their decisions | | | [SW1] Assessment of factual knowledge | | |
| Subject contents | Objectives of market opinion research, including the opinion of consumers, traders, experts, entrepreneurs, institutions The process of obtaining statistical data on market opinion research by public opinion research centers and public statistics services and their publication in databases The problem of availability and distribution of statistical data due to various criteria Scope and types of opinion polls, classification criteria, esearch examples Opinion research procedure, research stages Methods and techniques of research sample selection, random and non-random (intentional) samples Sample size, determining sample size in representative studies, minimum sample size, problems of insufficient sample size Methods and techniques used in opinion polls, classification of measurement methods, classification of data analysis methods Reliability of opinion polls, random and non-random errors in opinion polls, sources and significance of errors Statistical inference in the field of opinion of the population, estimation of selected parameters, verification of statistical hypotheses, selected parametric and non-parametric tests The problem of visualizing the results of market opinion research The problem of creating market scenarios based on market opinion research | | | | | | | |
| Prerequisites and co-requisites | | | | · · · | | | | |

| Assessment methods | Subject passing criteria | Passing threshold | Percentage of the final grade | | |
|--|--------------------------|--|-------------------------------|--|--|
| and criteria | Project | 60.0% | 30.0% | | |
| | Exam | 60.0% | 70.0% | | |
