

## Subject card

|   |  |  |  |            |  |         |     |
|---|--|--|--|------------|--|---------|-----|
| Subject name and code                       | ENTERPRISE RISK AND SAFETY MANAGEMENT, PG_00061599   |  |  |            |  |         |     |
| Field of study                              | Management, Management   |  |  |            |  |         |     |
| Date of commencement of studies             | February 2024  | Academic year of realisation of subject  |  |            | 2024/2025  |         |     |
| Education level                             | second-cycle studies   | Subject group  |  |            | Optional subject group<br>Subject group related to scientific research in the field of study |         |     |
| Mode of study                               | Full-time studies  | Mode of delivery   |  |            | at the university  |         |     |
| Year of study                               | 1  | Language of instruction  |  |            | Polish   |         |     |
| Semester of study                           | 2  | ECTS credits   |  |            | 3.0  |         |     |
| Learning profile                            | general academic profile   | Assessment form  |  |            | exam   |         |     |
| Conducting unit                             | Department of Entrepreneurship and Business Law -> Faculty of Management and Economics   |  |  |            |  |         |     |
| Name and surname of lecturer (lecturers)    | Subject supervisor   | dr hab. Julita Wasilczuk   |  |            |  |         |     |
|   | Teachers   | dr hab. Julita Wasilczuk<br>dr hab. Beata Basińska<br>dr inż. Krzysztof Redlarski<br>dr inż. Marita McPhillips |  |            |  |         |     |
| Lesson types and methods of instruction     | Lesson type  | Lecture  | Tutorial   | Laboratory | Project  | Seminar | SUM |
|   | Number of study hours  | 15.0   | 30.0   | 0.0        | 0.0  | 0.0     | 45  |
|   | E-learning hours included: 0.0   |  |  |            |  |         |     |
| Learning activity and number of study hours | Learning activity  | Participation in didactic classes included in study plan   | Participation in consultation hours  |            | Self-study   |         | SUM |
|   | Number of study hours  | 45   | 5.0  |            | 25.0   |         | 75  |
| Subject objectives                          | Identify risks in running a business and methods to manage them.   |  |  |            |  |         |     |
| Learning outcomes                           | Course outcome   |  | Subject outcome  |            | Method of verification   |         |     |
|   | [K7_U01] creates innovative solutions to complex and unstructured problems, taking into account the variability of the environment by synthesising information from many sources   |  | creates innovative solutions to the problems of the company using information from different areas of the organization's operation |            | [SU2] Assessment of ability to analyse information   |         |     |
|   | [K7_W01] identifies in-depth the phenomena related to the studied field and the theories describing them as well as possible concepts and methods of management  |  | correctly identifies risks in the processes carried out in the organization, assessing the associated risks                        |            | [SW1] Assessment of factual knowledge  |         |     |
| Subject contents                            | Organizational and economic aspects of risk management in an enterprise. Types and identification of risks.<br><br>Occupational safety. Employer's obligations in the scope of safety management. Regulations concerning safety management in an enterprise. Hazard identification techniques. Functional and process safety.<br><br>Occupational safety management - selected psychosocial aspects: Work monotony; Stress at work; Burnout; Traumatic stress.<br><br>Information security risk management in an organization: Issues related to cybersecurity, use of artificial intelligence, data protection, compliance with regulations (compliance), intellectual property management or business continuity management (BCM). |  |  |            |  |         |     |
| Prerequisites and co-requisites             |  |  |  |            |  |         |     |
| Assessment methods and criteria             | Subject passing criteria   |  | Passing threshold  |            | Percentage of the final grade  |         |     |
|   | Practical exercises  |  | 60.0%  |            | 40.0%  |         |     |
|   | Exam   |  | 60.0%  |            | 60.0%  |         |     |
