

Subject card

Subject name and code	English Language, PG_00044516						
Field of study	Civil Engineering						
Date of commencement of studies	October 2022		Academic year of realisation of subject		2023/2024		
Education level	first-cycle studies		Subject group				
Mode of study	Full-time studies		Mode of delivery		at the university		
Year of study	2		Language of instruction		English		
Semester of study	4		ECTS credits		2.0		
Learning profile	general academic profile		Assessment form		exam		
Conducting unit	Language Centre -> Vice-Rector for Education						
Name and surname of lecturer (lecturers)	Subject supervisor		mgr Joanna Olszewska				
	Teachers		mgr Janina Badocha mgr Anita Mieszkowska mgr Oksana Bielikowa mgr Joanna Olszewska mgr Witold Zbirohowski-Kościa mgr Małgorzata Fenc dr Iwona Mokwa-Tarnowska mgr Jarosław Nieszczołkowski mgr Katarzyna Orłowska mgr Jolanta Maciejewska mgr Krzysztof Lis mgr Ewa Bieńkowska				
Lesson types and methods of instruction	Lesson type	Lecture	Tutorial	Laboratory	Project	Seminar	SUM
	Number of study hours	0.0	30.0	0.0	0.0	0.0	30
	E-learning hours included: 0.0						
	Additional information:						
Learning activity and number of study hours	Learning activity	Participation in didactic classes included in study plan		Participation in consultation hours		Self-study	SUM
	Number of study hours	30		0.0		0.0	30
Subject objectives	Mastering the English language by students at B2 or C1 level. The course covers general and engineering content as well as elements of specialist language in line with the field of study. The language course ends with the ACERT exam.						

Learning outcomes	Course outcome	Subject outcome	Method of verification
	[K6_K82] is equipped to participate in lectures, seminars and laboratory classes conducted in foreign language	Correct communication in the academic environment. Understanding longer statements and lectures.	[SK4] Assessment of communication skills, including language correctness
	[K6_W81] has knowledge of grammatical structures and lexical resources needed to communicate in foreign language in terms of general and specialist language related to field of study	Reading comprehension of texts, including technical and specialized ones. Translation of short technical texts. Preparation of short presentations. Writing formal letters, CVs, cover letters and summaries of specialist texts.	[SW2] Assessment of knowledge contained in presentation
	[K6_U81] is able to communicate appropriately in foreign language at B2 level of the Common European Framework of Reference for Languages (CEFR) in everyday life, in academic and professional environments	The ability to communicate correctly in everyday life and in the academic and professional environment.	[SU5] Assessment of ability to present the results of task
	[K6_U82] is able to obtain and process information related to field of study and academic environment in foreign language at B2 level of the Common European Framework of Reference for Languages (CEFR)	Ability to prepare a description of a diagram, drawing, process, instruction, etc.	[SU5] Assessment of ability to present the results of task
	[K6_K81] is able to cooperate in international team	Ability to communicate and cooperate in group tasks.	[SK4] Assessment of communication skills, including language correctness [SK1] Assessment of group work skills

Subject contents	<p>Vocabulary:</p> <p>Deepening knowledge of basic and specialist terms and expressions used in technical and academic language as well as the language of work. Exercises concerning lexical structures, describing the physical properties of materials, shapes, basic mathematical terminology, interpreting figures and diagrams, and explaining processes. Introduction of specialist language in the field of Civil Engineering.</p> <p>Grammar:</p> <p>Using grammar appropriate to the given language level. Learning of structures essential for written and verbal communication in academic and professional environments.</p> <p>Writing:</p> <p>Practising skills in writing various texts essential in academic and work environments, including: reports, CVs, emails, summaries, notes, abstracts, instructions and descriptions of processes.</p> <p>Reading:</p> <p>Deepening reading comprehension of original academic and professional texts.</p> <p>Listening:</p> <p>Developing listening comprehension skills concerning workplace, academic and everyday life situations, such as: telephone conversations, interviews, customer service, lectures and presentations.</p> <p>Speaking:</p> <p>Practising communication skills in academic and work environments, such as: the giving of presentations, job interviews, formal and informal conversations, negotiating, presenting arguments, solving problems, participating in case studies, conducting formal meetings, etc. Practising the correct pronunciation and intonation of expressions.</p>		
Prerequisites and co-requisites	Before joining a language group, students are expected to be at level B1 or higher.		
Assessment methods and criteria	Subject passing criteria	Passing threshold	Percentage of the final grade
	tests	60.0%	60.0%
	written assignment	60.0%	20.0%
	activity/ speaking	60.0%	20.0%
