

Subject card

Subject name and code	Professional communication in English , PG_00057276						
Field of study	Power Engineering						
Date of commencement of studies	February 2024	Academic year of realisation of subject			2024/2025		
Education level	second-cycle studies	Subject group			Obligatory subject group in the field of study Humanistic-social subject group		
Mode of study	Full-time studies	Mode of delivery			at the university		
Year of study	2	Language of instruction			Polish		
Semester of study	3	ECTS credits			2.0		
Learning profile	general academic profile	Assessment form			assessment		
Conducting unit	Language Centre -> Vice-Rector for Education						
Name and surname of lecturer (lecturers)	Subject supervisor		mgr Agnieszka Kamińska				
	Teachers						
Lesson types and methods of instruction	Lesson type	Lecture	Tutorial	Laboratory	Project	Seminar	SUM
	Number of study hours	0.0	0.0	0.0	0.0	30.0	30
	E-learning hours included: 0.0						
Learning activity and number of study hours	Learning activity	Participation in didactic classes included in study plan		Participation in consultation hours		Self-study	SUM
	Number of study hours	30		2.0		18.0	50
Subject objectives	The aim of the course is to develop the ability to use English effectively in the academic and professional environments.						
Learning outcomes	Course outcome		Subject outcome		Method of verification		
	[K7_W81] has knowledge of complex grammatical structures and diverse lexical resources needed to communicate in foreign language in terms of general and specialist language related to field of study		Students are familiar with the general and professional vocabulary and grammatical structures essential to communicate in English.		[SW2] Assessment of knowledge contained in presentation		
	[K7_U81] is able to communicate with ease in foreign language at B2+ level of the Common European Framework of Reference for Languages (CEFR) in everyday life, in academic and professional environments		Students can communicate effectively in everyday situations and in the academic and professional environment at the B2+ level of English.		[SU1] Assessment of task fulfilment [SU3] Assessment of ability to use knowledge gained from the subject		
	[K7_K82] is equipped to participate actively in lectures, seminars and laboratory classes conducted in foreign language		Students are prepared to participate in the lectures, seminars and laboratories run in English.		[SK4] Assessment of communication skills, including language correctness [SK2] Assessment of progress of work		
	[K7_U82] is able to proficiently obtain and process information related to field of study and academic environment in foreign language at B2+ level of the Common European Framework of Reference for Languages (CEFR)		Students can search for and use the information concerning their professional and academic environment at the B2+ level of English.		[SU1] Assessment of task fulfilment [SU3] Assessment of ability to use knowledge gained from the subject		

Subject contents	<p>Vocabulary:</p> <p>Professional language development enhanced by scenario-based exercises, case studies, comprehension tasks, reading assignments, professional articles, vocabulary exercises contextualized in the power engineering field.</p> <p>Writing:</p> <p>Developing skills in writing various texts essential in the academic and work environments, including an abstract of an academic thesis, a report, a data analysis, a process description, a covering letter/personal statement. Developing writing techniques such as style and register, coherence and cohesion, using in-text references, paraphrasing.</p> <p>Listening and speaking:</p> <p>Developing listening comprehension and communication skills in the academic and work environments. Practising giving presentations and pitching an idea for a new product, participating in formal business meetings, videoconferences, negotiations and work performance appraisals. Developing intercultural awareness and critical thinking as well as the skills of team building, project and time management.</p> <p>Reading:</p> <p>Developing comprehension skills in reading academic and professional texts, with particular emphasis on critical reading, skimming and scanning, selecting and prioritising information, recognising and understanding implicit meanings, and note taking.</p>																	
Prerequisites and co-requisites	Before joining a language group, students are expected to demonstrate language ability at level B2.
