

Subject card

Subject name and code	English IV, PG_00055633							
Field of study	Data Engineering							
Date of commencement of studies	October 2023		Academic year of realisation of subject		2025/2026			
Education level	first-cycle studies		Subject group		Optional subject group			
Mode of study	Full-time studies		Mode of delivery		at the university			
Year of study	3		Language of instruction		Englis	English		
Semester of study	5		ECTS credits		2.0			
Learning profile	general academic profile		Assessment form		exam			
Conducting unit	Language Center -> Vice-Rector For Education							
Name and surname of lecturer (lecturers)	Subject supervisor		mgr Jarosław Nieszczółkowski					
	Teachers		mgr Małgorzata Piechocińska					
			mgr Katarzyna Szałaj					
			mgr Witold Zbirohowski-Kościa					
			mgr Jarosław Nieszczółkowski					
Lesson types	Lesson type	Lecture	Tutorial	Laboratory	Projec	t	Seminar	SUM
Lesson types	Number of study hours	0.0	30.0	0.0	0.0		0.0	30
	E-learning hours included: 0.0							
Learning activity and number of study hours	Learning activity Participation in classes include plan				Self-study		SUM	
	Number of study hours	30		0.0		0.0		30
Subject objectives	Students reach B2 or C1 level of general English with the elements of engineering vocabulary and topic areas. The course additionally covers basic aspects of the specialist language relevant to the field of study. The course is concluded with the ACERT exam.							

International structures and decided promounces and existing fermional and specialist insocurous needed to communication and process and existing fermional and specialist insocurous needed to communication and process and specialist insurances and existing fermional and specialist insurances and specialist insurances of propositional programments of the programment of the level and suppose and 28 level of the Common European Firamework insurances of process information related to field of study and subdemic state of the level according to the Common European Firamework of common European Firamework of the level according to the Common European Firamework of the level according to the Common European Firamework of the level according to the Common European Firamework of the level according to the Common European Firamework of the level according to the Common European Firamework of the level according to the Common European Firamework of the Common European Firamework of the Common European Firamework of the level according to the Common European Firamework of the Common Europ	Learning outcomes	Course outcome	Subject outcome Method of verification
