

Subject card

Subject name and code	Foreign Language: English III , PG_00025599						
Field of study	Architecture						
Date of commencement of studies	October 2025		Academic year of realisation of subject		2026/2027		
Education level	first-cycle studies		Subject group				
Mode of study	Full-time studies		Mode of delivery		at the university		
Year of study	2		Language of instruction		English		
Semester of study	3		ECTS credits		2.0		
Learning profile	general academic profile		Assessment form		assessment		
Conducting unit	Language Center -> Vice-Rector For Education						
Name and surname of lecturer (lecturers)	Subject supervisor		mgr Marek Adamczyk				
	Teachers						
Lesson types	Lesson type	Lecture	Tutorial	Laboratory	Project	Seminar	SUM
	Number of study hours	0.0	30.0	0.0	0.0	0.0	30
	E-learning hours included: 0.0						
Learning activity and number of study hours	Learning activity	Participation in didactic classes included in study plan		Participation in consultation hours		Self-study	SUM
	Number of study hours	30		0.0		0.0	30
Subject objectives	Students reach B2 or C1 level of general English with the elements of engineering vocabulary and topic areas. The course additionally covers basic aspects of the specialist language relevant to the field of study. It is concluded with the ACERT exam.						
Learning outcomes	Course outcome		Subject outcome		Method of verification		
	[K6_U82] is able to obtain and process information related to field of study and academic environment in foreign language at B2 level of the Common European Framework of Reference for Languages (CEFR)		is able to use at least one foreign language that is a language of international communication at the B2 level of the Common European Framework of Reference for Languages, including specialist terminology in the field of architecture and urban planning necessary in design activities; will be able to gain information from various resources and use it without violating copyright law.		[SU2] Assessment of ability to analyse information [SU3] Assessment of ability to use knowledge gained from the subject		
	[K6_K81] is able to cooperate in international team		Students are able to successfully collaborate in a multi-cultural environment. They use appropriate formal and informal English, adequate to the situation.		[SK1] Assessment of group work skills		
	[K6_W81] has knowledge of grammatical structures and lexical resources needed to communicate in foreign language in terms of general and specialist language related to field of study		knows and understands the vocabulary and grammatical structures of a foreign language that is the language of international communication in the field of creating and understanding written and oral statements relating to architecture, as well as the need to use a foreign language fluently.; are able to understand, analyse and translate technical texts in English and use formal English.		[SW3] Assessment of knowledge contained in written work and projects		

Subject contents	Course content – exercises Vocabulary: Developing general knowledge of the language and introducing specialist terms and expressions used in the field of architecture abd urbanism. Practising complex lexical structures. Introducing basic terminology of mathematics and general engineering. Grammar: Developing B2/C1 level grammar structures essential for written and verbal communication. Writing: Practising skills in writing various formal and informal texts such as reports, emails, CVs, notes, instructions, descriptions of processes. Reading: Developing various reading techniques indispensable for dealing with general and professional texts. Listening: Developing listening comprehension skills necessary in workplace and everyday life situations such as telephone conversations, interviews, customer service communication, lectures and presentations. Speaking: Practising general and specialist language communication skills such as presenting arguments, solving problems, participating in case studies, holding formal and informal conversations and job interviews. Practising the correct pronunciation and intonation of expressions.		
Prerequisites and co-requisites	Before joining a language group, students are expected to be at level B1 or higher.		
Assessment methods and criteria	Subject passing criteria	Passing threshold	Percentage of the final grade
	writing	60.0%	25.0%
	tests	60.0%	25.0%
	other tasks	60.0%	25.0%
	speaking activities	60.0%	25.0%
